2. If there are two marks above the line,

write the single dot: छ्योर्ते

- पितो· - Say the following words outloud (be sure to notice the tone dots): कोतें, सें सप, क्वें, चें, तिं, छ्योर्ते
- प्रितो· - Write the two nasal markings a few times. Write the words above a few times each. Write down other Nyeshangte words that have the nasal sound.
